Please note:

**We strongly** urge you not to bring siblings who are pupils in the school to the plays on the night they are not performing as they will have had many chances to have seen the plays already.

If pupils do come along, we will ask for younger children to sit on parents laps rather than take up seats for adults. They will not be permitted to sit on the floor up front. Children from 3rd-6th will be asked to stand at the back of the hall to view the performances allowing all parents, grandparents and other relations a chance to enjoy the excellent plays in comfort.

- Children performing on a given night will be minded in their classrooms before and after they go on stage. They are not permitted in the hall for the show.
- Admission to the show will be €5, as it has been for many years. However, as this is a school fundraiser, we will happily accept all extra donations on the night at the door.
- The parent's council are running raffles on both nights and would be grateful for all donations of prizes.
- We strongly encourage our audience to stay until the end of the show, if at all possible. There can be quite an exodus at the interval leaving the older children feeling disappointed that they have a smaller audience after all their hard work. Their plays are also well worth watching, so, if you can, please plan to stay for the full show.
- Doors will open at 6.40pm and the show will start at 7pm. Doors will not be opened before this as we need all teachers/SNAs on site to supervise children before we can let them in. Please be patient if you are waiting outside.
- Finally, enjoy the show! It is a great night and so good for the children. Teachers have put in Trojan work preparing your children for this concert and I promise you, you will not be disappointed. Have a great evening and a Happy Christmas.
