General Approach

The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

When using the internet pupils, parents and staff are expected:

- To treat others with respect at all times.
- Not undertake any actions that may bring the school into disrepute.
- Respect the right to privacy of all other members of the school community.
- Respect copyright and acknowledge creators when using online content and resources.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in Sandpit NS .

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

Sandpit NS will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases Sandpit NS will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

The school will monitor the impact of the policy using:

- Logs of reported incidents.

Should serious online safety incidents take place, Mrs Victory or Mr Reilly should be informed.

- All meetings will be password protected.
- All people involved in the meeting will conduct themselves in a similar manner as would be expected in a regular class
- The staff member has a right to remove any person who is being disruptive from a synchronous lesson
- A family member is expected to be close by when a pupil is engaging in a meeting. They should monitor all online interactions from the pupil
- Staff will not meet any child alone using an online meeting. If there is a need for a meeting between a child and a staff member, another adult must be present at the meeting and/or the meeting must be recorded
